Samuel Clauser

The class of 1951 wishes to dedicate this edition of the Wilson High School **Wilsonian** to Mr. Samuel Clauser. Ever since our freshman year at Wilson, when we first came to know Mr. Clauser, all of us have grown to like him and to appreciate his fine qualities. As our guidance instructor in ninth grade, he certainly helped many of us over some rough spots in our early high school career. His excellent guidance and advice has undoubtedly helped us all become better citizens for tomorrow.

AWAY

I cannot say and I will not say
That she is dead — she is just away!
With a cheery smile and a wave of the hand
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be since she lingers there.
Think of her still as the same, I say;
She is not dead — she is just away!

REFRESHMENT COMMITTEE

Hot Dogs! Soft Drinks! Candy! These cries of the refreshment committee lured people to the stands behind which were Doris Campbell, Fred Hagstrom, Dawn Weber, Robert Germann, Velma Kaiser, Jean Douple, Fred Muenz, Jackie Slichter, Patti Promos, and Melvin Fitterling.

yying to decide between roses or carnations are yllis Dry, Cynthia Dedekind, Audrey Scagnelli, Dore- Stroup, Dawn Weber, and Bruce Koch of the flow- motto, and gift committee.

What size cap and gown is the question in the mind of the committee consisting of Rose Ann Najarian, Doris Adams, Jean Ruoss, Jean Douple, Lois Beekey, and Nancy Hopp.

Jackie Slichter, Floyd Hertzog, Robert Shoup, Lawrence DeBeck, LaVerne Wartluft, Bruce Koch, and Ruth Sebastian wonder how far they can stretch the dollar in their capacity as ways and means committee.

CLASS HISTORY

Sitting in the auditorium waiting for Baccalaureate practice to commence, my mind began to wander back over our happy years in high school. The person beside me had the same look of remembering in her eyes and soon all the highlights of our past years began flashing back to us.

"Remember our carefree junior high years? Our trip to Philadelphia, where we visited the Inquirer Building and Franklin Institute. It sure was loads of fun."

"The thing I remember most was eating at the Horn and Hardart Restaurant," retorted my neighbor.

"We were really proud of Doris Adams, Joan Beidler, and Pattie Unger when they became Pony Cheerleaders."

"Then tenth grade rolled around, with our wonderful maroon and white class hats arriving."

"Our cake sale was a huge success and so was our movie 'Stagecoach'."

"Remember Robert Shoup as president, Thomas Sprucebank, Ebba Hagstrom, and LaVerne Wartluft comprised the remainder of our sophomore officers."

"Gee, it looks like practice is about to begin, I guess we'll have to continue our reminiscences later."

"Now that practice is over, I should be going home, but ....."

"Robert Shoup, Ebba Hagstrom, Doris Adams, and Lois Beekey directed our junior year activities."

"Our first big task was the Junior Class Card Party held at the West Lawn Fire Company.

"The Saint Patrick's Day Dance, the Shillelah Shag, was also a big success."

"But our big event was our junior prom held at the fire hall. Remember the theme, the circus, for the prom? It certainly went over with a bang."

"The big trip our class took was to the United Nations. The trip to New York was the first of its kind for a Junior Class."

"It was a very exciting trip for us, seeing all the important people there."

"Golly, this year was really a year to remember. I feel like crying when I think back over all the fun we've had. Remember our Christmas dance, the 'Kris Kringle Kaper,' and remember the beautiful decorations at the 'Snowflake Fantasy', the first mid-winter formal in the school's history."

"We went to the Berks County Court House to view several trials and then the seniors made a solemn trip to the Berks County Prison. A visit was just enough for us!"

"An educational field trip was made by the Senior Chemistry Classes to the Maiden Creek Filtering Plant. We were amazed when we saw what had to be done to make the water pure!"

"The month of March was high-lighted by our trip to Harrisburg seeing all the government officials."

"On April 10, our class visited Washington. Although April showers accompanied us, the cherry blossoms were still very pretty."

"Boy, was it hard getting up for school next morning!"

"On May 2, May Day, the senior girls put in their last public appearance in school activities. Vivacious Jackie Slichter was chosen May Queen, while Cynthia Dedekind, Ebba Hagstrom, LaVerne Wartluft, Lois Beekey, and Joan Beidler were her attendants."

"Of course our class trip to New York will long be remembered by all."

"It is very sad when you realize that all that is remaining for our class is commencement, but I'm sure the class of '51' will long remember its high school years."

SOPHOMORE CLASS

Way back in November, when most thoughts were on turkey and trimmin's, a splash of green and grey appeared on the Wilson campus. The sophomore class hats had arrived! Later in the year the tenth graders were in the limelight again. This time it was their class movie, "The Man in the Iron Mask," which was shown on March second. Toward the end of the school term they held their bake sale to raise money for the class treasury. All in all it was a very successful term, and we are sure that they will all be back next year, rarin' to go.

SENIOR FLASHBACKS

LARRY DeBECK—Spent two years of varsity football at end. A sure fingered end in 1949. The following season, Larry played his best ball on defense, and he also made some timely catches.

MILT FOREMAN—The big reason why Pete Iaccarino was able to be moved from tackle to fullback. Uncle Milty was a good downfield blocker.

RICHARD TEXTER—Tex developed into one of the Prexies best lineman. He really knew his plays and blocked and tackled like an old-timer.

BRUCE KOCH—Smallest man in the line but did a big man's job. Bruce backed up the line on defense and played center on offense.

BILL WEITZEL—Fine defensive and offensive end. The leading pass receiver, completing eight passes for 283 yards. Bill was always in there plugging regardless of the score.

DICK WIEN—The strong man in the line. Wrecked opposing guards. Played best game at West Reading when Dick was the fifth man in their backfield.

FRITZ BERST—Fritz became the Presidents' leading defensive man in his senior year. Could also pick up yardage when called upon. Scored 12 points.

BOB SHOUP—Key man to Wilson's T-formation success. Bob played only one year of varsity ball but piloted the Prexies to their only title.

PETE IACCARINO—The leading scorer of the season. Played center, tackle and fullback but gained most recognition in the FB slot. Played four years of varsity competition.

TOM SPRUCEBANK—Spent three years on the JV's, and one on the varsity. A good leader. Went unhurt through senior season. Best game was Shillington.

DON LONGENECKER—"Longie" was noted for his low, deadly tackles. Spent two years on JV's, one on the varsity. A fine pass receiver. The fire of the team.

HARRY RIEGEL and CARL REBER—Both played fine ball on the JV's. These boys made the varsity work harder.

ROLAND DEDEKIND—Very efficient manager. Been around as manager for three years and turned out to be one of the best. Very good projectionist of football movies.
